

## PROGRAMME

### One Health One Science conference

6 April 2026, 10:00 am – 6:30 pm, Lyon

#### 1. Opening – 10:00 am – 10:15 am

10:00 am – 10:15 am – **Opening Session**, Eleonore Caroit, French Minister Delegate for Francophonie, International Partnerships and French Nationals Abroad, Elisabeth Claverie de Saint-Martin, Director General CIRAD.

#### 2. Emerging Infectious Diseases (EID) and antimicrobial resistance (AMR): a One Health approach more necessary than ever – 10:15 am – 12:15 pm

10:15 am – 10:45 am – **EID and AMR: The added value of the One Health approach**

Discussion on issues relating to Emerging Infectious Diseases (surveillance, prevention, territorial approaches...) and Antimicrobial Resistance (coordination, public awareness, integration of agricultural systems...).

- Panelists: **Wanda Markotter** (University of Pretoria, co-chair of OHHLEP), **Hervé Raoul** (ANRS MIE/Inserm), and **Jean Yves Madec** (ANSES/Inserm)

10:45 am – 12:15 pm – **EID and AMR: Recommendations for effective implementation**

Presentation of concrete successes followed by a discussion on gaps, recommendations, deliverables and conditions for effective implementation.

- Moderation: **Marisa Peyre** (CIRAD)  
Panelists: **Nitish Debnath** (One Health, Bangladesh), **Prisca Mugabe** (University of Zimbabwe), and **Zhiyong Xi** (Michigan State University), **Bruno Gonzalez Zorn** (Universidad Complutense de Madrid, Spain), **Ramanan Laxminarayan** (One Health Trust/Princeton University), **Harimurti Nuradji** (Veterinary Research Center, Indonesia)  
Q&A starting by **Anne-Laure Banuls** (IRD)

12:15 pm – 1:30 pm – *Lunch break*

#### 3. Pollution and sustainable food systems: The sustainability equation. Why food and pollution control are two sides of the same coin – 1:30 pm – 3:30 pm

1:30 pm – 2:15 pm – **Pollution and Food Systems: the added value of the One Health approach**

Discussion on the issues surrounding the “triple threat” of plastics, the necessary global view of pollution, the prerequisites for sustainable food systems and the scientific recommendations for key deliverables.

- Panelists: **Mohammad Khalid Sayeed Pasha** (IUCN), **Sophie Drogué** (INRAE), and **Denis Sarigiannis** (National Hellenic Research Foundation)

#### **2:15 pm – 3:30 pm – Pollution and Food Systems: Recommendations for Effective Implementation**

Discussion on proposals and elaboration of recommendations for their implementation in real life and for future research.

- Moderation: **Appolinaire Djikeng** (ILRI Kenya)
- Panelists: **Laura De Gara** (Università Campus Bio-Medico di Roma, Italy), **Olanike Adeyemo** (University of Ibadan, Nigeria), **Megan Deeney** (LSHTM, United Kingdom), and **Patrick Allard** (UCLA, United States)
- Q&A starting by **Paula Prist** (IPBES Nexus assessment)

**3:30 pm – 4:00 pm – Coffee break**

#### **4. The cross-cutting issues of One Health approaches – 4:00 pm – 5:30 pm**

##### **4:00 pm – 4:30 pm – Social sciences and humanities, and data**

Analysis of OH approaches from the perspective of social sciences and data interoperability.

- Panelists: **Josselin Thuilliez** (CNRS), **Salomé Bukachi** (University of Nairobi, OHHLEP member), **Pikka Jokelainen** (Statens Serum Institut)

##### **4:30 pm – 5:30 pm – The scientific basis for a paradigm shift and effective science-decision interaction for One Health approaches**

Discussion on gaps, obstacles, recommendations and implementation (transformative change, governance, interaction between science, decision-makers and civil society, education)

Introduction: **Carlos Gonçalo Das Neves** (EFSA/ co-chair OHHLEP)

- Moderation: **Richard Horton** (The Lancet)
- Panelists: **Andrea Winkler** (Lancet One Health Commission), **Christian Walzer** (WCS), **Barbara Haesler** (RVC/Lancet One Health Commission), **Magda Robalo** (IGHD, Guinea-Bissau), and **Ariane Vander Stappen** (DG SANTE)
- Q&A starting by **Priya Basu** (Pandemic Fund)

#### **5. Conclusion and reactions from EU DG RTD and the Quadripartite – 5:30 pm – 6:15 pm**

##### **5:30 pm – 6:00 pm – Reaction from EU research and the Quadripartite to the recommendations and the way forward**

- Moderation: **Thierry Lefrançois** (CIRAD), and **Eric Cardinale** (ANSES)
- Speaker: **Pilar Aguar Fernandez** (Director for People: Health and Society at DG RTD)
- Panelists: **Tiensin Thanawat** (Director, Animal Production and Health Division and Chief Veterinarian, FAO), **Sylvie Briand** (Chief Scientist, WHO), **Baba Soumare** (Deputy Director General for Global Frameworks and Capacity Building, WOA), **Julian Blanc** (Head, Biodiversity and Land Branch, Ecosystems Division, UNEP)

**6:00 pm – 6:15 pm** – Concluding remarks by **Qu Dongyu** (Director General FAO, presidency Quadripartite) and **Philippe Baptiste** (French Minister for Higher Education, Research and Space)
