

geographic breakdown of student population in 2005-2006

	number of enrollees and percentage of total				
All of France	2,281,889	100.0%			
Overseas Territories	43,318	1.9%			
Metropolitan France	2,238,571	98.1%	100.0%		
Ile-de-France	599,281	26.3%	26.8%	number of enrollees and percentage of total	number of sites and percentage of total
Provinces	1,639,290	71.8%	73.2%	1,639,290 100.0%	589 100.0%
main sites of several universities			793,838 48.4%	11 1.9%	
main sites of university or CUFR			604,965 36.9%	34 5.8%	
secondary sites of university or CUFR			178,308 10.9%	107 18.2%	
other sites			62,179 3.8%	437 74.2%	

status of sites located in the provinces in 2005-2006

main sites of several universities

in the provinces:

Bordeaux, Clermont-Ferrand, Grenoble, Lille, Lyon, Marseille-Aix-en-Provence, Montpellier, Nancy, Rennes, Strasbourg and Toulouse

of the other sites located in the provinces,

there are 8 secondary IUFM sites:

Ajaccio, Bastia, Chaumont, Cluses, Guebwiller, Guéret and Privas

sites based on urban units set forth in INSEE 1999 census

sites offering courses of study at universities and affiliated institutions in 2005-2006

urban units	total number of students	percentage of students in universities and affiliated institutions
main sites of several universities and associated institutions		
Bordeaux	76,496	73.2%
Clermont-Ferrand	34,854	73.7%
Grenoble	55,776	71.5%
Lille	97,080	64.7%
Lyon	124,080	63.1%
Marseille-Aix-en-Provence	88,279	71.2%
Montpellier	62,517	76.1%
Nancy	45,342	71.9%
Paris	589,397	63.3%
Rennes	58,731	70.8%
Strasbourg	53,552	74.9%
Toulouse	97,131	68.7%

main sites of university or affiliated institution		
Albi	3,790	53.4%
Amiens	26,041	70.6%
Angers	32,203	52.8%

main sites of several universities

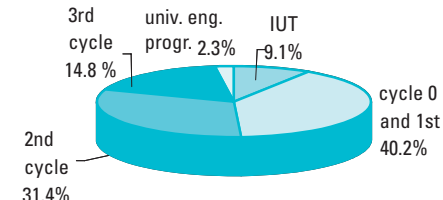

main sites of university or CUFR

secondary sites of university or CUFR

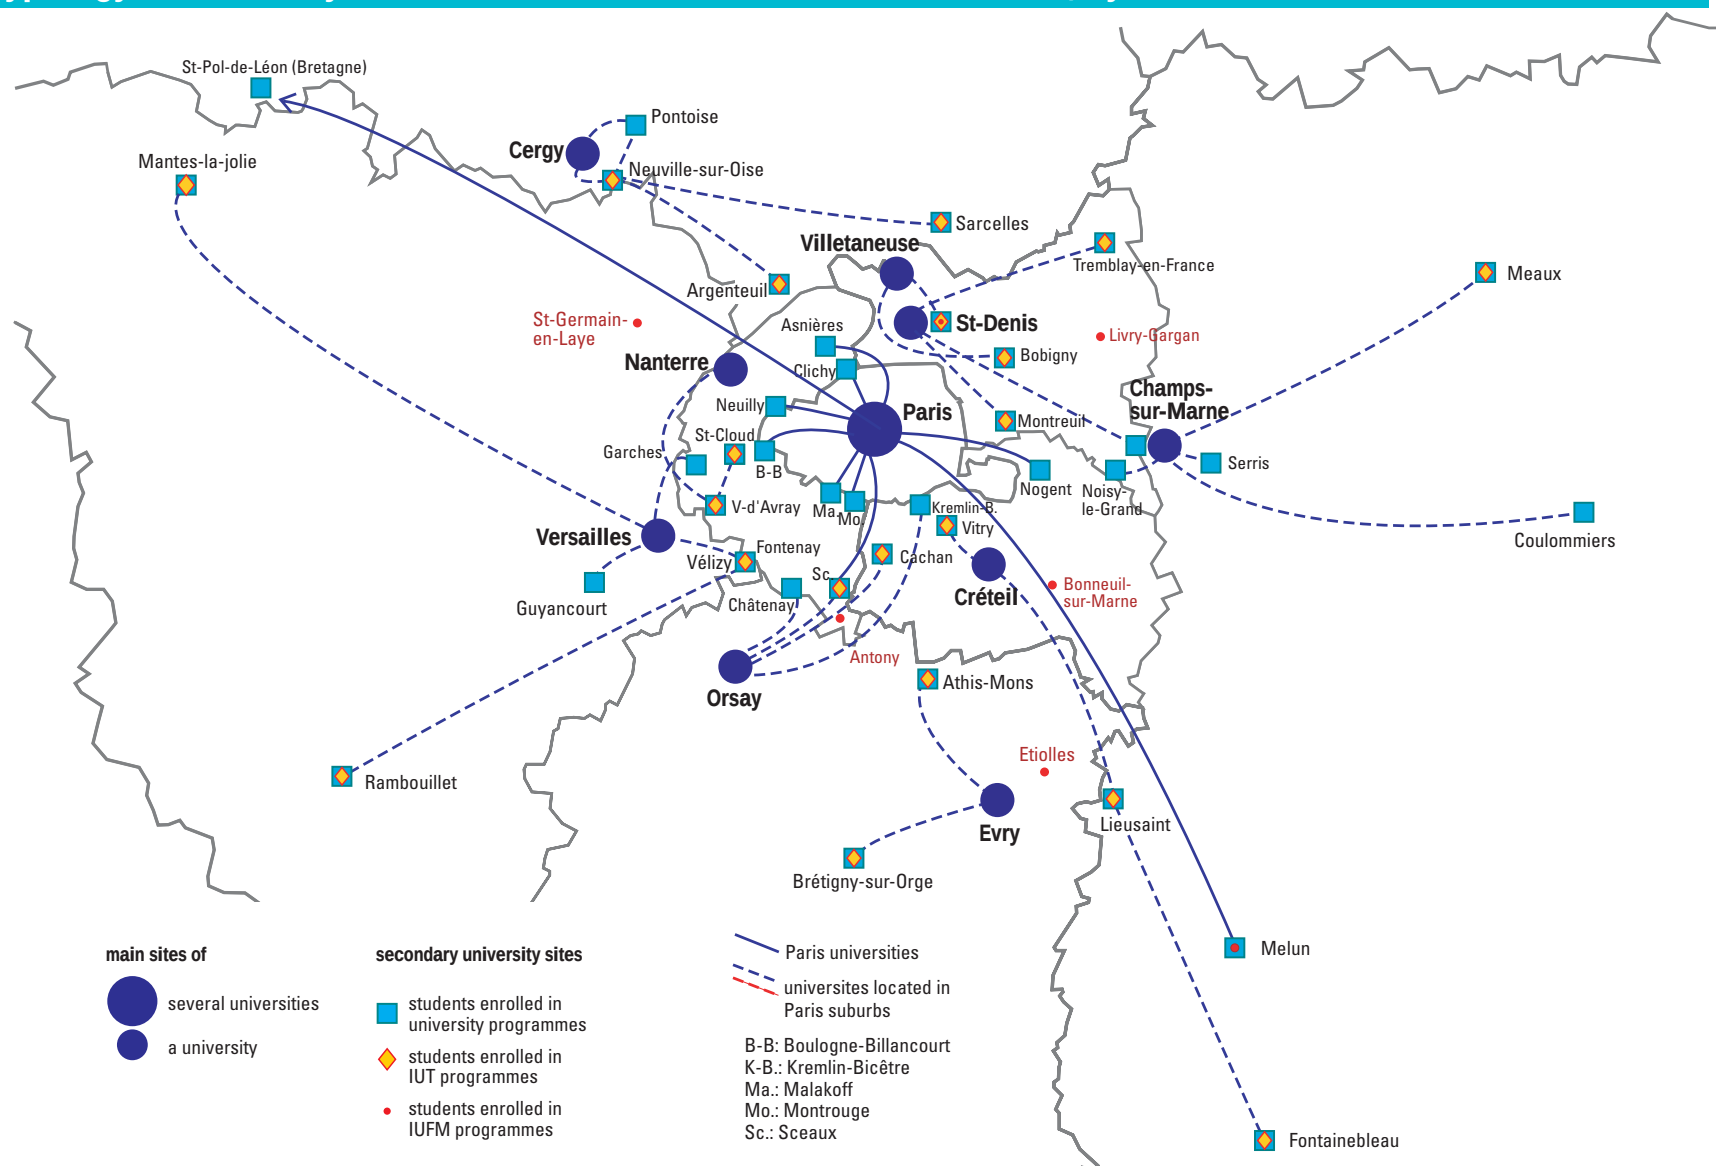

all sites located in provinces

source > MENESR / * secondary sites with several universities and affiliated institutions

typology of university education sites in 2005-2006 > Ile-de-France, by commune

source > MENESR

typology of university education sites in 2005-2006 > outside Ile-de-France

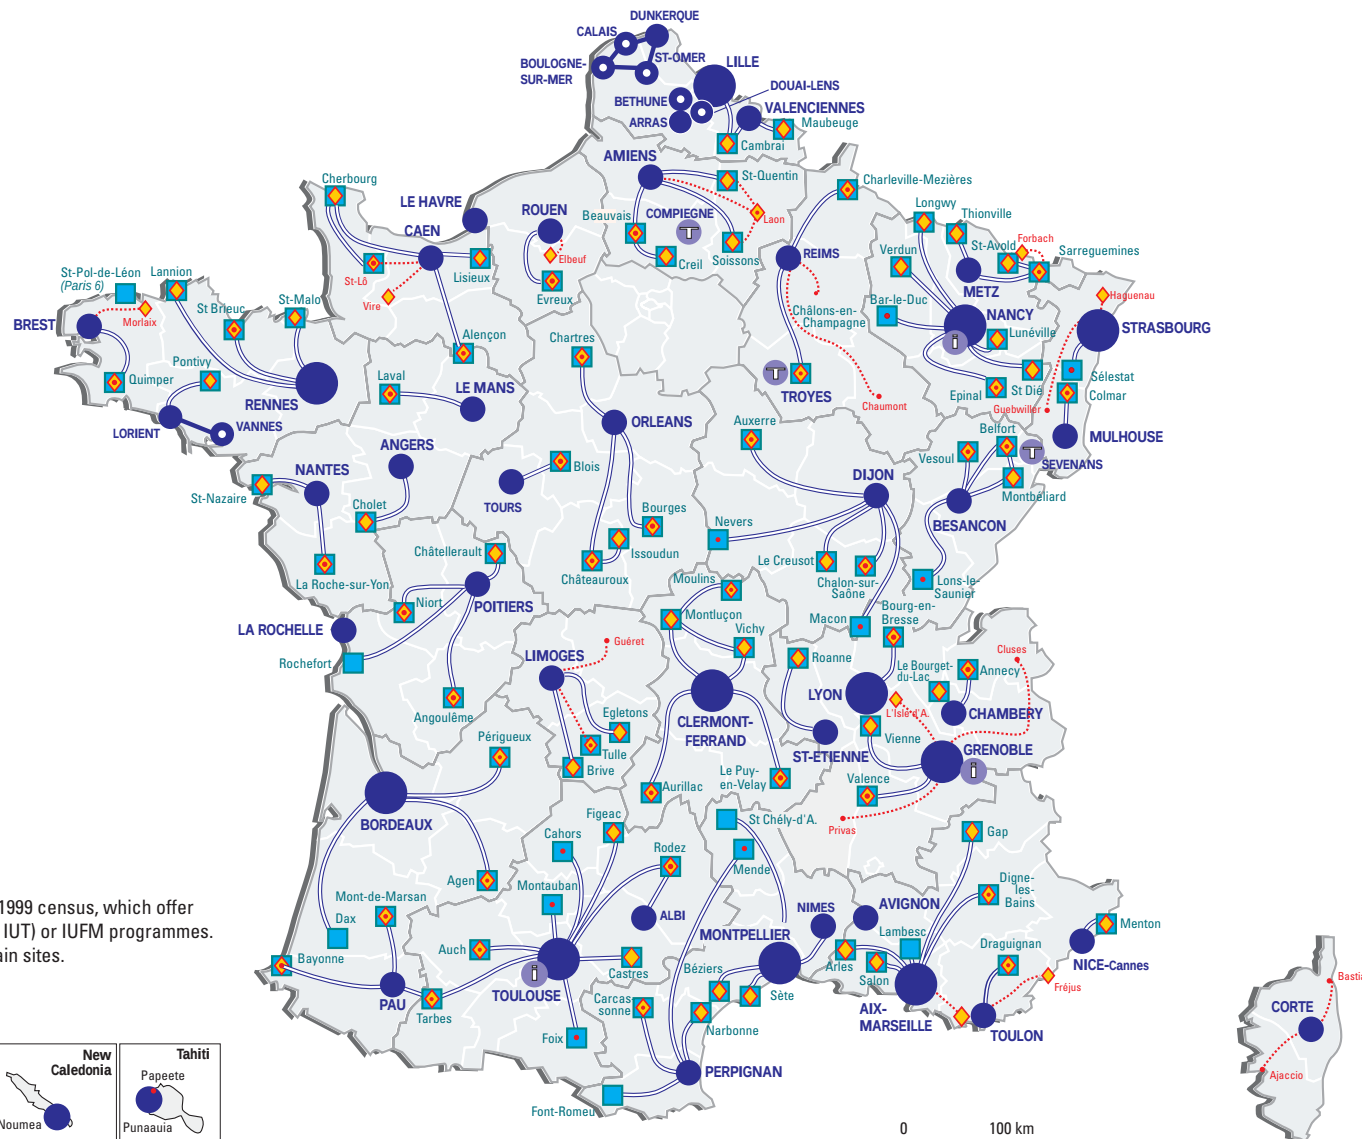

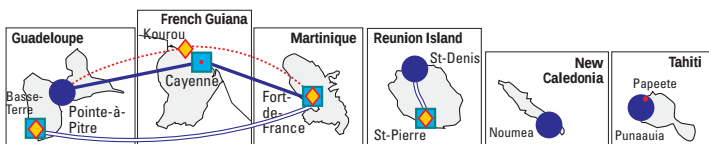

main sites of

-  several universities
-  a university
-  a university of technology
-  a national polytechnic institute
-  a multi-site university (main campus)
-  a CUFR

secondary university sites

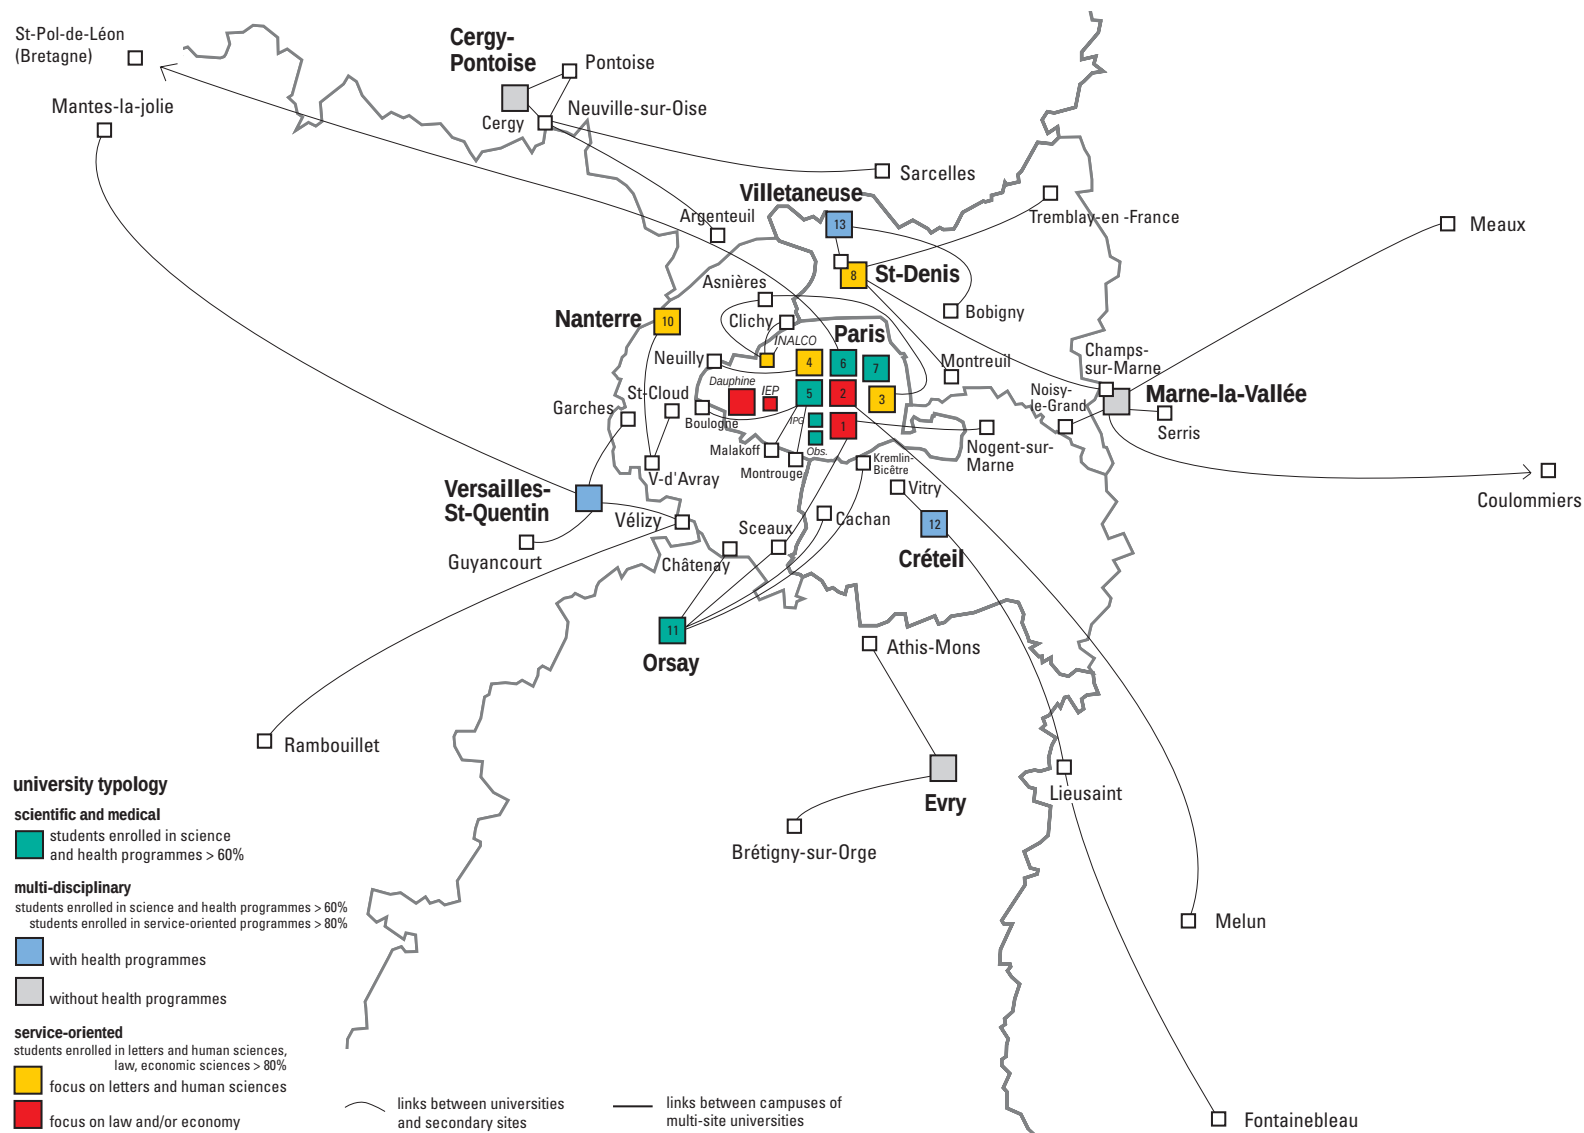

-  students enrolled in university programmes
-  students enrolled in IUT programmes
-  students enrolled in IUFR programmes

The sites are based on the urban units set forth in the INSEE 1999 census, which offer university education programmes (including engineering and IUT) or IUFR programmes. The programme offerings are not provided in detail for the main sites.

university institutes of technology (IUT) in 2005-2006

administration, management, sales

- Corporate and administrative management
- Administration and sales management
- Marketing techniques
- Statistics and data processing
- Legal careers
- Logistics and transport management

social careers, information and communication

- ▲ Social careers
- ▲ Information and communication
- ▲ Communication services and networks

electronics, information technology, mechanics

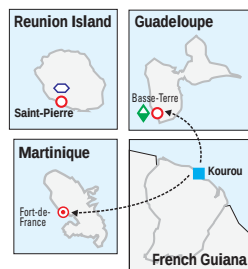

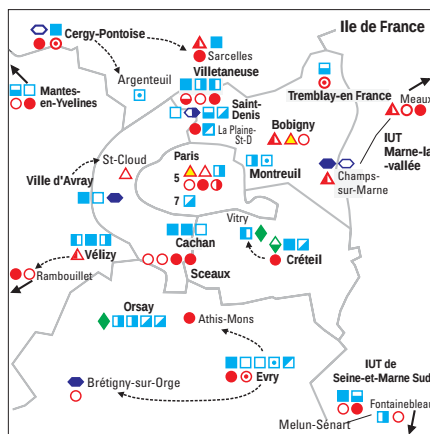

- Electrical engineering and industrial informatics
- Mechanical engineering and production technology
- Information technology
- Telecommunications and network engineering
- Industrial engineering and maintenance
- Physical measurements
- Materials sciences and engineering
- Production engineering and organisation
- Metrology, quality, control
- Packaging sciences

chemistry, biology

- ◆ Chemistry
- ◆ Chemical engineering
- ◆ Biological engineering

public works, energy, safety

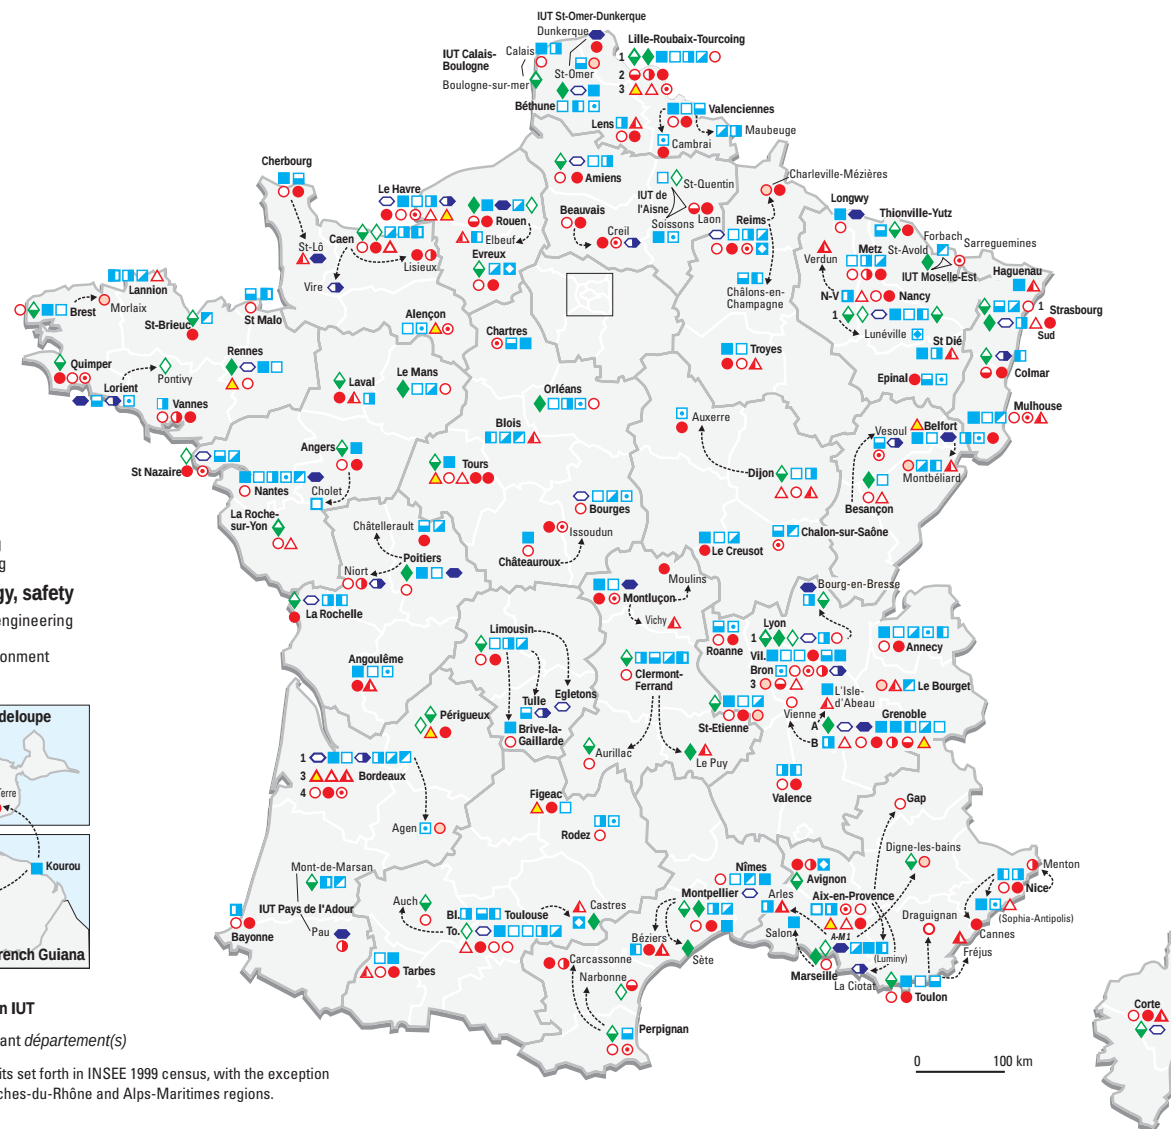

- Thermal and energy engineering
- Civil engineering
- Hygiene, safety, environment

Bordeaux : full-function IUT

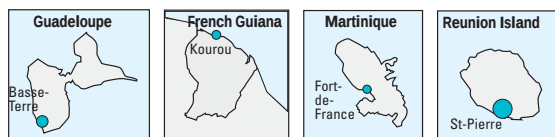

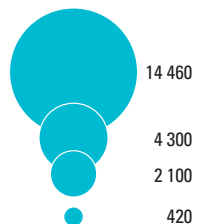

→ Agen: dependant département(s)

Sites based on urban units set forth in INSEE 1999 census, with the exception of the Ile-de-France, Bouches-du-Rhône and Alps-Maritimes regions.

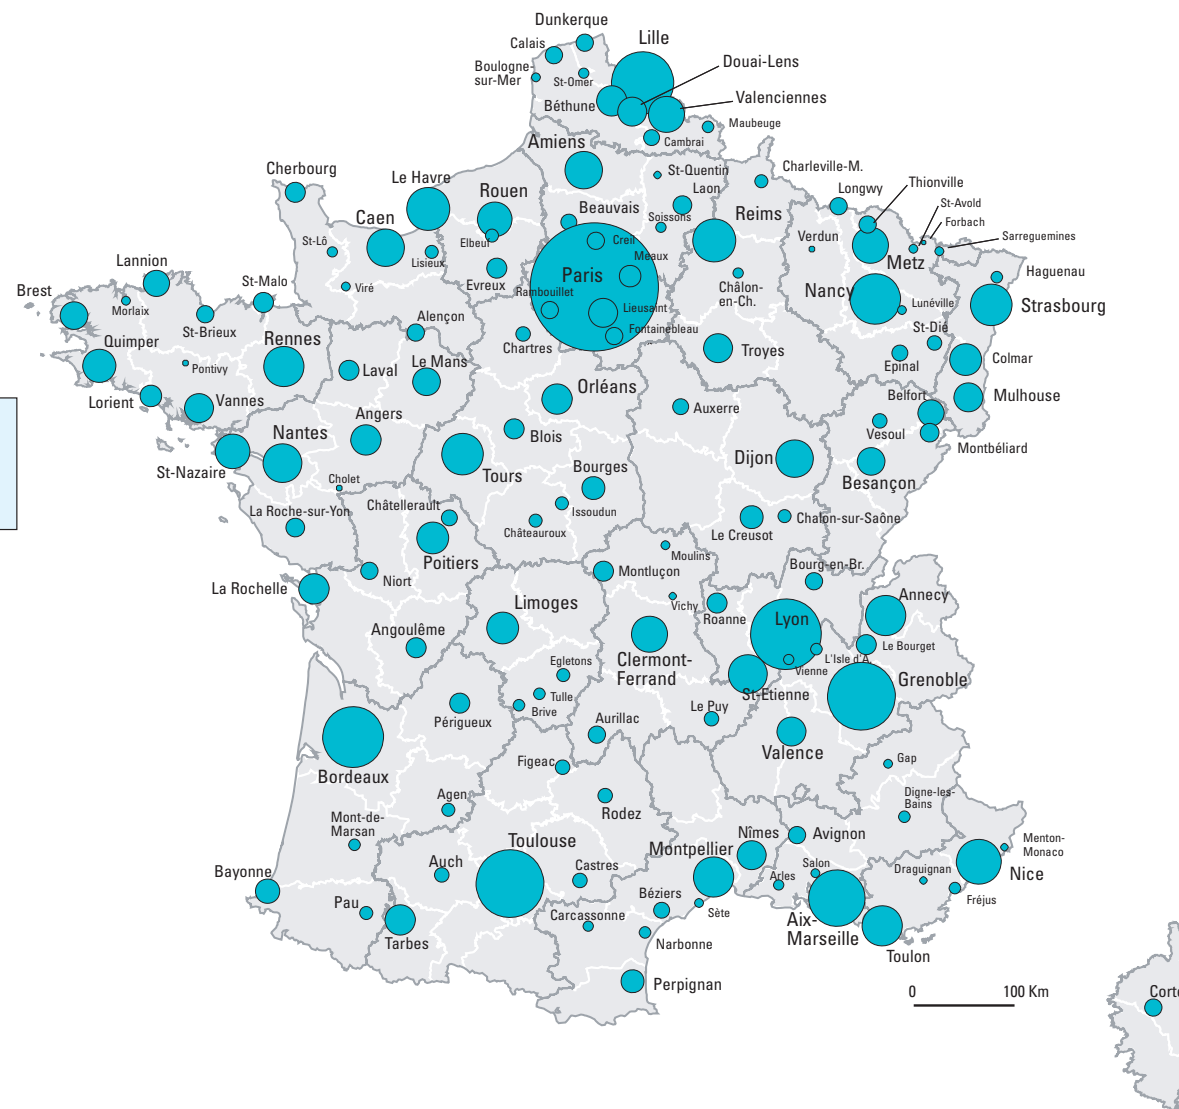

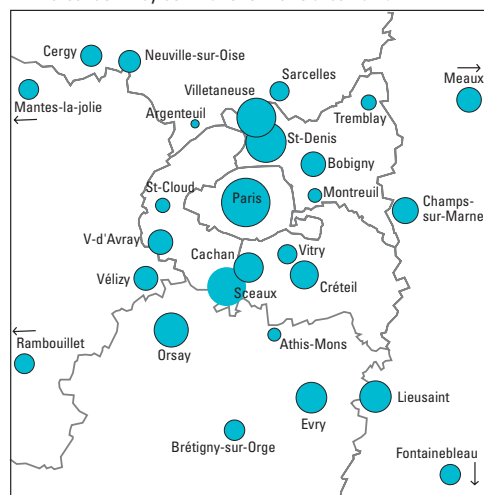

students enrolled in IUT programmes in 2005-2006

number of students enrolled in IUT programmes,
in urban units (INSEE 1999)

breakdown by commune for Paris urban unit

engineering programmes in 2005-2006

Programmes under authority of MENESR

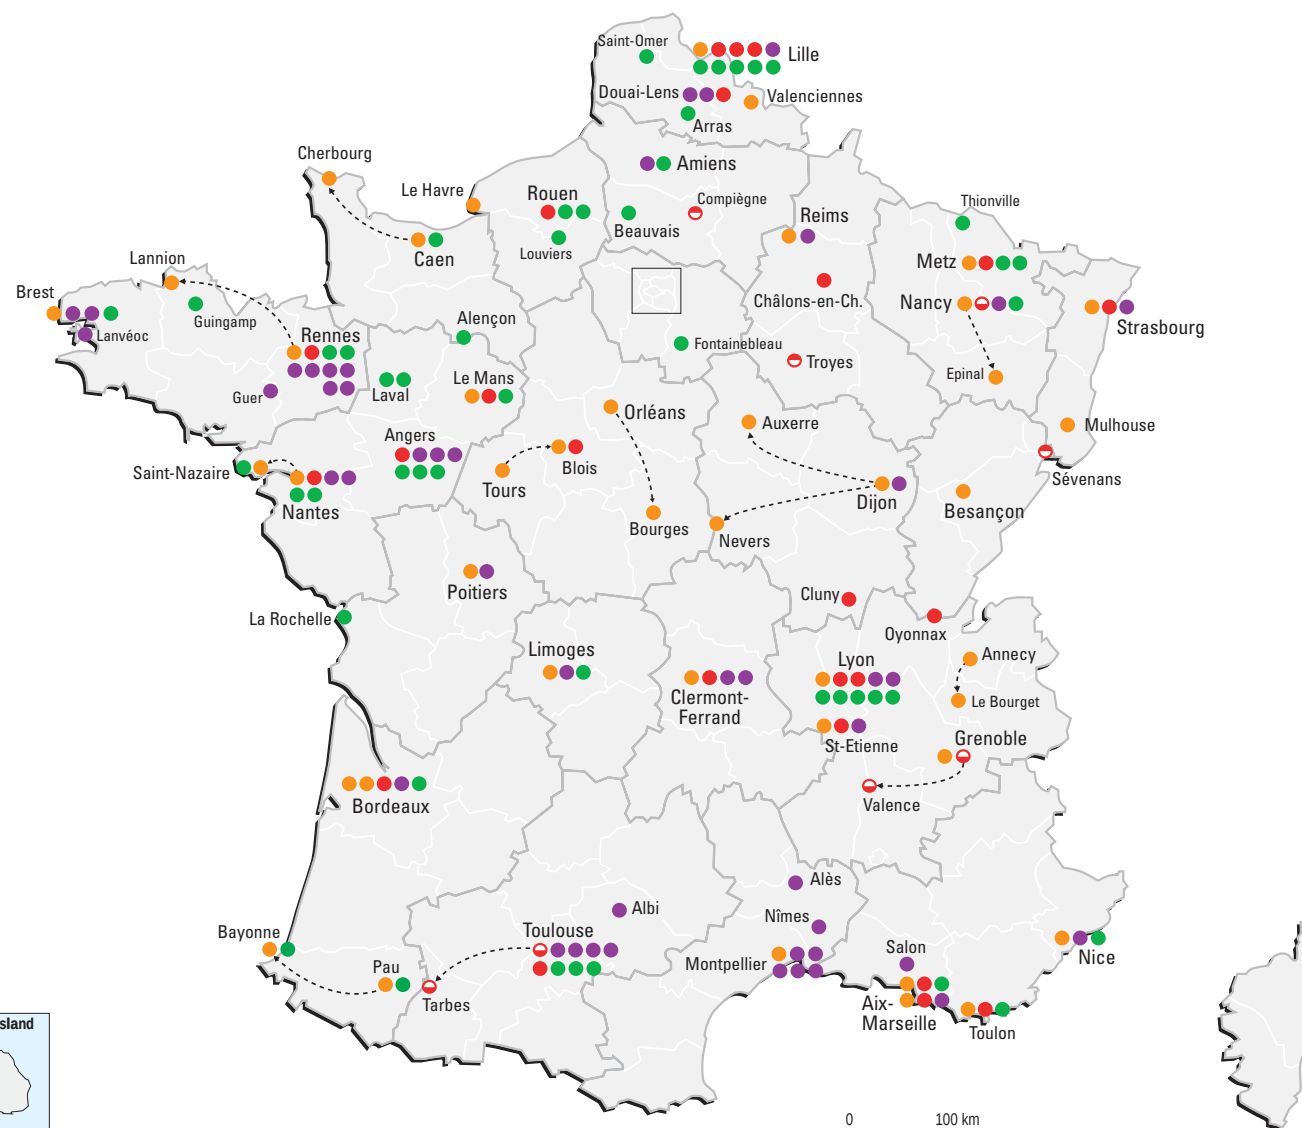

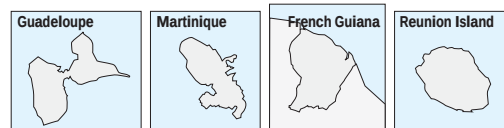

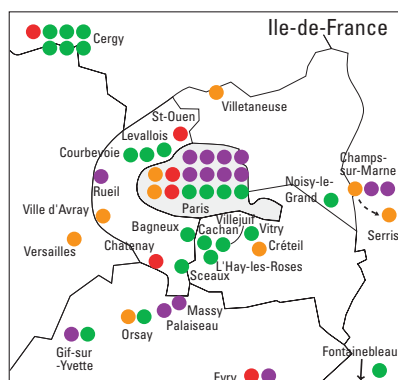

- university programmes
- UT programmes
- INP programmes
- other programmes

Other programmes

- programmes under authority of other ministries
- private-sector programmes

The number of points is contingent on the number of institutions

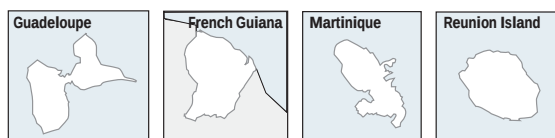

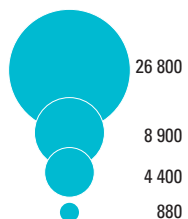

Sites based on urban units set forth in INSEE 1999 census, with the exception of Ile-de-France.
